

**Burntwood**  
Regional Health Authority  
ᑭᑭᑭᑭᑭᑭ ᑭᑭᑭᑭᑭᑭ

*The Burntwood Regional Health Authority (BRHA) is responsible for delivering a broad spectrum of health programs in northern Manitoba. With 3 community hospitals, a regional hospital, a Community Health Centre, Continuing Care, Mental Health Services, Public health and remote nursing stations within one organization, we deliver a continuum of care for the people in the multi-cultural Burntwood region. In the heart of the Canadian Shield, our region is rich with mineral resources, lakes, rivers and boreal forests: a haven for outdoor*

JOB POSTING  
REGISTERED MIDWIFE  
Full-Time

Thompson, known as the “Hub of the North” is the trade and service centre of Northern Manitoba. Located almost 750 km north of Winnipeg, Thompson is a unique northern city offering all the benefits of an urban lifestyle in a beautiful wilderness setting.

The Burntwood Region covers most of the province of Manitoba lying north of the 53<sup>rd</sup> parallel. This represents 334,000 square kilometers, and includes more than half of Manitoba’s total landmass.

The BRHA delivers a broad range of services to almost the entire northern half of the province of Manitoba. We have a variety of facilities throughout the region. Two community based hospitals, a regional hospital, five community health centers, and a community health resource centre make up the Regions network of facilities.

**Qualifications and Technical Competencies:**

- Eligible to register as a practicing midwife with the College of Midwives Manitoba.
- Background in or experience as a practicing midwife.
- Provide comprehensive midwifery care
- Demonstrated ability to function as part of a multidisciplinary team.
- Ability to work flexible hours according to needs of the clients.
- Current CPR
- Current NRP
- Current SOGC ALARM course or willing to obtain
